

## Action Plan for Key Strategies

Write the strategy you selected from “Strategies” section of the Catalyst™ platform. Then answer the questions to create an action plan for using this strategy to be more effective at work.

- 1 Strategy:
  
- 2 When might you need this strategy?
  
- 3 What outcomes do you hope to achieve by using this strategy?
  
- 4 What can you do or say to put this strategy into action?
  
- 5 Who could be a resource or mentor for you?
